The Municipal District of Prague 5 is one of the largest districts of the capital city of Prague with its area (27.49 km²) and number of inhabitants. It lies on the left bank of the Vltava River, in close proximity to the historic core of Prague, from which it is separated by a largely preserved medieval fortification called the Hunger Wall. The settlement of this area dates back to prehistoric times, as evidenced by a number of archaeological sites. The Municipality District of Prague 5 consists of several formerly independent municipalities - Smíchov, Košíře, Motol, Hlubočep, Radlice, Jinonice-Butovice, and the southern tip of Malá Strana - Újezd.

Such a confirmation shall not be required if the authorised person confirms his/her consent on the permanent residence registration form in front of a registration officer. An authorised person is defined as a person over 18 years of age, of legal capacity, who is entitled to use the building or a defined part of it (e.g. an apartment or living room) or is the operator of the accommodation establishment where the citizen declares his/her permanent residence.

Who reports a change of permanent residence:
For a citizen under 15 years of age, the change of permanent residence is reported by his/her legal representative or the natural person who has been granted custody of the child by a court decision. For a citizen whose legal capacity has been restricted so that he or she is incapable of acting, the change of permanent residence shall be notified by his or her legal representative. A member of the household whose authorisation to represent the citizen has been approved by the court, or an attorney authorised by him or her on the basis of a special power of attorney with officially certified signatures, may report the change of permanent residence on behalf of a citizen.

The administrative fee for a change of permanent residence is paid in cash - in the amount of CZK 50 per person.

Cancellation of Permanent Residence
Application for cancellation of permanent residence at the request of the owner of the building or an authorised person - is regulated by the provisions of Section 12(1)(c) and (2) of Act No. 133/2000 Sb., (Act on the Registration of Inhabitants), as amended:

Cancellation of the Information on the Place of Permanent Residence
(1) The registration office shall decide on the cancellation of the information on the place of permanent residence if the citizen's right of use of the building or a defined part of the building, the address of which is indicated in the Registry of Inhabitants as the citizen's place of permanent residence, has ceased and if the citizen does not use the building or a defined part thereof,
(2) The registration office shall decide on the cancellation of the information on the place of permanent residence referred to in paragraph (1)(c) only on the proposal of the owner of the building or a defined part thereof or on the proposal of the authorised person referred to in Section 10(6)(c). In such a case, the applicant shall be obliged to prove the existence of the reasons referred to in paragraph 1(c) to the registration office.

The burden of proof is on the side of the petitioner and it is therefore up to the petitioner to prove the existence of the reasons for the cancellation of the information on the place of permanent residence. Documentary evidence may be submitted in copies, which need not be certified.

From the preceding it follows that the proposal can be granted only if the three statutory conditions are met:
1. the proposal is made by the owner of the premises or a defined part thereof or by an authorised person (see above),
2. the citizen's right of use to the apartment or house in question has expired (e.g. by termination, agreement by judgment), or the right of use did the citizen no good at all - i.e. it was derived (e.g. a boyfriend gave his consent to his girlfriend, a grandparent to a grandchild; or the right of use was derived from the law - a parent revokes the right of the child)
3. the citizen whose permanent residence is to be cancelled does not use the property (apartment or house).
